Autism Awareness Swim & Play Vendor Registration Form

Event Description: The 8th Annual Autism Awareness Swim & Play is a family-friendly fun time you won't want to miss! We will continue the tradition of our swim-a-thon where swimmers will acquire donations for the laps they swim, but if swimming isn't your thing, come out and enjoy some play time in the activity pool or check out the other activities we have planned! In addition to food and drink available for purchase, check out our craft and game area, vendor fair, and so much more! All proceeds will benefit Autism NJ (www.autismnj.org).
